Collaboration
Critical Thinking
Organization/Time Management

EDUCATION

MASTERS IN EDUCATION

Loyola University Chicago 2009-2010

BACHELOR OF ARTS, MATH

Mount Holyoke College 1996-2000

PROFILE

I am a passionate and experienced former teacher with over 20 years' experience in bringing technology to the classroom. Strong creative and analytical skills. Team player with a talent for problem solving.

EXPERIENCE

TEACHER, EQUITY ADVISOR

Arizona School for the Arts

2021 - 2023

Taught College-Prep 7th grade and Advanced 7th grade math classes concepts ranging from proportions and rational numbers to the Pythagorean Theorem, basic Geometry, and linear relationships. Work closely with Learning Specialists to scaffold and differentiate materials for students of diverse learning needs in each class. Create intriguing and inviting lessons for learners of all abilities that build strong foundations and pique curiosity at every level in each class.

TEACHER, INSTRUCTIONAL LEADER

Bernard Zell Anshe Emet Day School

2016 - 2020

Math Teacher (2016-2020): Taught 5th through 8th grade math classes ranging in topics from fractions/decimals/percents to trigonometric functions and logarithms using multiple primary sources.

Instructional Leader (2018-2020): Worked closely with the math team to deliver high quality, meaningful instruction across the entire Middle School

RESEARCH FELLOW

Southwest Educational Development Laboratory

Summer, 2003

Published article for Principal Leadership.

Synthesized data from multiple sources.
